

Gaia Home Stock Donation Information

Thank you for your interest in donating stocks to Gaia Home.

For a smooth process, please complete the following steps:

1. Please contact your broker and instruct them to deliver the securities to:

Fifth Third Bank
DTC#2116 (i.e., Securities Holding Number)
FBO: DOIT & Co (c/o First International Bank & Trust)
Account # 010039750118
For Further Credit To: Gaia Home Account #1000606

2. After contacting your broker, please let Gaia Home know at kilee@thegaiahome.org that a donation will be placed into the account. It is helpful for you to disclose the specifics of the donation (e.g., the name of the stock with symbol and the number of shares) that is being donated.

Once the transfer is complete, and the security is in good order to be sold, we will sell the security. Upon settlement, and our receipt of the check for the proceeds, it will be credited to the appropriate bank account at First International Bank & Trust.

Please note, per Gaia Home's gift acceptance policy, stocks are sold upon receipt.

Thank you for your support in helping us live our mission, "...to bring comfort, compassion, and dignity to all persons and their loved ones, as we nurture the human spirit through the end-of-life journey."

Sincerely,

Kilee Harmon
Executive Director
